

End User Acceptance

Project Name	Honor Box Chiropractor Website	Project Sponsor	Allison Diller
Document Title	End User Acceptance	Project Leader	Michael Mercer
Date Published	12/4/14		
Version Number	1.0		

1. **Project Summary** - A website where patients can be added to the database and add or track their appointments or procedures

2. **Statement of Completeness** - All files for the website and database have been delivered.

3. **Problem Summary**

The database allows two appointments to be made at the same time. The user must first get the schedule and make sure that no other people are registered for that same time slot.

4. **Issues List**

Users can have conflicting appointments

5. **Agreement to Implement (Signatures)**
